- A JELLYBEAN STORY -

- 
Black is for our sin - the wrong things we have done
- 
Red is for Jesus' blood - He shed for everyone
- 
White is for a clean heart - when in Jesus we believe
- 
Gold is for the streets in Heaven - promised when Jesus we receive
- 
Green is for growing - hide His word in your heart

A Drop in the Ocean?

It would be easy to say what we are doing is only 'a drop in the ocean' given the enormity of the need. What I would say is that the ocean is made up of drops – each one adding to the other.

To see a child carry a plastic container filled with dirty water filled from a mud puddle on their way to school - would melt the hardest of hearts. To see children having to use a toilet at school that is filthy and inadequate, and that that you know is adding to the situation where diarrhoea is commonplace - is unacceptable. To see children going to school and having to sit on the floor or squeeze into already overcrowded desks - does nothing to aid their educational progress. Knowing that due to the constant lack of rainfall and subsequent crop failure children often go hungry - does nothing to aid their ability to learn at school. These are only a few of the problems that make up the ocean of daily struggles of rural Tanzanian children.

Through the generosity of its supporters, kids4school addresses these head on and is making such a difference - a drop at a time. Drops like rainwater storage tanks that supply clean, safe water are continuing to be built at the schools. Supplying properly built toilets that greatly reduce the spread of waterborne disease and prevent diarrhoea, the leading causes of death among children - more drops. Sourcing, shipping and supplying school desks and stationary – more drops. Supplying a meal each day at school to each sponsored child – more drops.

These are only a few of the drops of God's blessing that our supporters make possible. The Lord said that He would supply our needs and He is doing exactly that. On behalf of the children and the families in Tanzania I just want to say a big Asante Sana (thank you very much).

Matthew 25:31-40 The Sheep and the Goats

31 "When the Son of Man comes in his glory, and all the angels with him, he will sit on his glorious throne.

32 All the nations will be gathered before him, and he will separate the people one from another as a shepherd separates the sheep from the goats.

33 He will put the sheep on his right and the goats on his left.

34 "Then the King will say to those on his right, 'Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world.

35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in,

36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

37 "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink?'

38 When did we see you a stranger and invite you in, or needing clothes and clothe you?

39 When did we see you sick or in prison and go to visit you?'

40 "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

AN UPDATE ON kids4school ACADEMY

2014 News:

- ➔ An 8ft high perimeter fence has been built around our 18 acre site. This outlays our borders and provides safety to our land.
- ➔ The bore hole was completed in 2014 which is essential for our current building work. Without this borehole, water would have to be bought and transported to the site daily.
- ➔ Professional expertise from Engineering Ministries International (EMI) was given in February 2015 and the plans for our Academy were prepared. Foundations were also pegged out by the team leaving the ground prepared and ready to break soil.

ENGINEERING MINISTRIES INTERNATIONAL

17 professionals from the UK, Canada, USA & Australia joined together as a team in February 2015 to design, share expertise and lay out the plans for our new academy.

This team produced the plans needed to start the building work at the 18 acre site. We were so grateful for their help and guidance, as without this, we could not have been able to start digging in May 2015.

laying the VCT slab

2015 News:

- ➔ John & Grace McCullagh left their hometown of Ballyclare to undertake a 2 month mission trip which would oversee the start of the building work on our Academy. With John's knowledge and background of building and Grace's excellent ability for administration and needlework, this husband & wife duo were the perfect team for the job. We are so grateful for all of their hard work and all that they achieved whilst out in Tanzania.
- ➔ The foundations and sub-floors are in place for the 3 Vocational training units. These units will each facilitate 2 training classrooms and a small office in between.
- ➔ Our director, Tom, will be travelling to Tanzania early December and will oversee the completion of one of the VTC units. We hope to start training in this unit early 2016.
- ➔ The foundations for the Primary School are done. Once the VTC unit is complete, the focus will shift to the completion of the Primary unit.

academy plans

SHORT TERM MISSIONARIES TO DODOMA

John & Grace left the green shores of Northern Ireland on 19th May 2015 and set off for a 9 weeks voluntary mission trip to Tanzania. Having been out in Tanzania in October 2013, they were aware of the needs of the people, the beauty of the country but also the frustrations that Africa can bring. But, this is what they felt called to do so this is what they did.

John's main task was to oversee the start of the building of our Academy. We already had the perimeter fence erected and bore hole sunk for water so with his background knowledge of building, John was able to break the soil and start the digging of the foundations... and more.

John is a man with many skills. Throughout his Mission trip he was a builder, a mechanic, an electrician, a technician, a speaker ... but most of all, A child of God. He was able to use his talents to progress the Lord's work in Tanzania.

John's wife of 45 years, Grace, also had much knowledge to share. She did a lot of registrations with children, visiting many Schools and interacted with the kids. This in itself was frustrating as many

Schools had holidays during this period, but it is Africa, and you have to go with the flow, which she did very well. During the time when the schools were off, Grace was able to turn her attention to our Vocational Training Centre. She observed the sewing students in action and was able to offer her own knowledge to the students on how to better finish uniforms / garments and suggest ways of maximising on their materials etc.

We are so thankful for this special couple. They achieved so much in their short time out in Tanzania and have helped to further the ministry of kids4school.

Asante Sana John & Grace

John & Grace with Tom

DO YOU WANT TO DO SOMETHING SPECIAL FOR THE LORD?

When the Apostle Paul became a Christian, he asked the question, 'Lord what will You have me to do? - perhaps you are asking that question too.'

WHY?

When the Son of Man comes in His glory... all the nations will be gathered before Him, and he will separate the people one from another. The King will reply, whatever you did for one of the least of these brothers of mine, you did it for me. Matthew 25:31

Jesus says what we do for the least of the human family we are doing it for Him. And our reward?, 'Come take your inheritance, the kingdom prepared for you..'

kids4school is a nondenominational, evangelical Christian Ministry working in Tanzania, Africa

HOW?

Use your skills and gifts for the Lord in practical Missionary Service.

kids4school is looking for self-motivated individuals with a burning desire to serve and win the lost.

WHERE?

kids4school is an established ministry in Tanzania. It operates from its Head Quarters in the Dodoma region of central Tanzania. The HQ consists of offices and missionary accommodation within a secure compound environment.

Give us a ring or email & make that step towards finding what God would have you to do

email: info@kids4school.org
phone: 028 2827 2998

SMARTIES TUBE APPEAL

A number of Churches have been getting the children of the Church involved in fundraising by using chocolate – No it is not a bribe (well maybe a small one), but the idea is that the child enjoys the contents of the smarties tube, then uses the empty tube to collect 20p's in. These filled tubes hold £11 in 20p's.

What a great idea!

We have already a few Churches to thank for this:

- Larne Mission Hall
- Dungannon Presbyterian (Moygashel)
- Victoria Hall, Carrickfergus

FOCUS ON THE FAMILY

Want to go that extra mile?

Did you know that you can feed a family in Tanzania for a month for £14?

Many supporters have asked us what 'extra' they can do to help the families of their sponsor children. They are already paying for what the child needs to attend school, but many want to do more...

Having witnessed life amongst families in Tanzania, it has become apparent that the lack of food is of growing concern within the villages. This year's rains have once again failed, resulting in a very poor harvest. The scarcity of crops has raised the cost of Ugali maize considerably, making feeding the family even more difficult.

Many children are going to School hungry, taking no food with them, and relying solely on the meal that they receive through the kids4school feeding program to get them through the day. Not every child at the school is registered on our program, and although we would love to be able to provide feeding for EVERY child, this is just not financially possible. This leaves many who go all day without any food.

Food ready for distribution

Already, many supporters have sent in donations to finance the purchase and distribution of food to the families of their child(ren) in Tanzania. This new initiative is becoming a more favoured option for sending birthday or Christmas gifts or just to help the family out during the year.

The kindness that is shown through food parcels is without a doubt a huge lifeline to many of these families. Parents / Grand Parents who struggle to feed children are so thankful for this practical help.

If you would like to support a family with a food parcel, even if you do not have a child sponsored on our program, please contact the office and we will be only too happy to facilitate this for you.

LIFE of a child

Name: Emmy
Age: 7
Siblings: 6

Q & A

Q: What time do you wake in the mornings?

A: I get up at 06:00 to help my mum in the house

Q: Who do you live with?

A: I live with my mum, dad, brothers and sisters

Q: Do you get breakfast in the mornings?

A: Not always at home, but I have porridge when I get to school as I have a sponsor.

Q: How long does it take to get to School?

A: I walk to School with my brother and sister and it takes 30-40 minutes through the fields.

Q: What do you do after School?

A: Sometimes I go to collect water or sticks for the fire. If mum is busy I look after the baby or help in the field.

Q: What do you eat in the evening?

A: We have Ugali with dried vegetables. If it is a special day we sometimes have meat or chicken.

Q: What time do you go to bed?

A: I go to bed at 8pm because we have no lights to see in the house.

Q: Do you have a bed to sleep on?

A: I sleep on a dried cow skin on the floor.

SPONSORED WALK

This year our annual sponsored walk took place on Saturday 5th September 2015 where we had around 20 adults and 10 children taking part in the five mile walk (or run!!) from Hazelbank Park along the shoreline to Duncrue and back again.

After such a miserable summer the weather could not have been better and lots of fun was had by all, not to mention the delicious BBQ waiting at the finish line - thanks Tom!!

The sponsored walk is a great way of raising much needed funds for Tanzania but it also provides us all with the opportunity to meet with fellow supporters and to catch up with friends along the way.

We look forward to seeing you there in 2016.

100 desks were re-assembled, altered and delivered out to 2 Schools by the 2015 work & witness team. 50 went to Nzasa B and 50 went to Chihanga Primary.

These small villages do not expect hand outs – They do not ask for anything and never like to accept gifts unless they have something to give in return. At one of the Schools, the village elders were so overwhelmed by the gift of the desks that they presented the team with a gift in return... A LIVE Goat. This may seem like an odd gift to give, but for these villagers this was all that they had to give.

our gift in exchange for the desks

goat presented to the team

"In August of this year I travelled to Tanzania with Kids4school on a work and witness trip for two weeks. I was really great to see all the fantastic work that Kids4school are doing in that country and the difference that is being made in the lives of the sponsored children and their families.

For a few days on each of the weeks we went into schools and held bible clubs. This involved singing, playing games, craft and colouring-in, making bracelets and telling bible stories. We also went to the schools to see the feeding programme in action. I really enjoyed doing these bible clubs and it was great to share God's word with the kids.

Many schools and churches have sent out 100's of desks from N. Ireland. These need to be taken apart to be shipped over and one of the group's tasks was putting all the desks back together again and washing them. Once ready we went to deliver them to a couple of schools, which turned into to a bigger ceremony than we had anticipated. This involved a lot of hand shaking including shaking hands (or hoof) with a goat which we were then given as a token of appreciation. We knew we wouldn't get the goat back home through customs but thankfully one of our translators owned a farm and we found the goat a good home.

We also spent some time going around to the kids homes and delivering food to their families. It

was incredibly moving to see the poor conditions that these families lived in and it really made me appreciate what I have, and what I take for granted.

One of my lasting memories is when we would go out into the area around the lodge in the evenings and play with and talk to the kids, even though we didn't have a translator at this time and we didn't quite understand what the other was saying, we still managed to have fun and the kids absolutely loved it. The thing I enjoyed most was just talking to and playing with the kids. The smiles on their faces when we just talked to them and how content they were, even though they didn't have much was incredible to see.

I have been hoping to go to Africa on a mission trip for some time and this opportunity was what I had been looking for. Africa and its people are amazing, people often talk about the sunrises and the sunsets but there is so much more that makes Africa a really special place. The trip was an amazing experience and I really hope I can go back sometime soon. The people are so friendly, the kids are so eager for your attention that you can't help fall in love with them, and the country they live in"

Sarah,
2015, Kilrea

HOW CAN I HELP?

There are many ways that you can help.

- Pray for the ministry
- Sponsor a child
- Facilitate a fundraiser in your Church / group
- Donate an hour of your time for our street collections
- Volunteer in our charity shop (even for an hour a week)
- Volunteer at open days, hand out fliers, promote the ministry
- Hold a coffee morning in your house
- Place a collection box on your shop counter
- Car Boot sale
- Sponsored event

Have us along – kids4school would love to come and do a presentation to any group within Northern Ireland. Invitations from Clubs, societies, Churches & Schools are all welcome. We are available for talks and multi media presentations about the work that we do in Tanzania. Give the office a call to arrange a suitable date.

Carol Service

Our annual Carol Service will be held on **Sunday 6th December 2015** in Donegal Road Methodist Church @ 3pm. Why not come along and celebrate the true meaning of Christmas with us.

Every year, friends, family and supporters come together to laugh, sing and enjoy a fun filled hour of celebrations. We will hear updates from the director, Rev Tom Robinson, we will also have a Work & Witness choir, various Bible readings and a lovely cup of tea and refreshments afterwards – This really is a very casual and enjoyable service and we would love for you to join us.

Please put this date in your diary and join us for an afternoon of praise and worship.

TESTIMONIES FROM TEAM MEMBERS

"On Friday 31st July I joined the team from kids4-school to take a journey into the unknown – Tanzania. Our flight left Dublin at 10.30pm that evening and we reached our destination, kids4-school Lodge, Dodoma on Sunday 2nd August at 8.45pm. This involved 2 flights, 1 overnight stop and a 10 hour coach journey. We were there not for a holiday, but to serve and work for the Lord, sharing and showing his love to the needy people of Tanzania.

This we did through:
 Schools Visitation – Teaching the Gospel, doing craft, playing games with the children.
 Home Visitation – Taking food and clothes to people who have very little and live in poor conditions.
 Assembling Desks – 100 delivered to schools in great need before we left

Seeing is believing -
 Something I will never forget - A wonderful experience I am glad I went... To God be the Glory"

Roy Graham,
 August 2015 team

WORK & WITNESS

Summer 2015

The August 2015 team left Dublin airport on Friday 31st July for a life changing 2 week mission trip to Tanzania. For most people, this was their first visit to Africa and the excitement was quite obvious within the team. Previous team meetings had prepared the group for the work ahead and individuals had signed up for various aspects of what the team hoped to accomplish within their 2 weeks.

Many different types of work were done whilst out which included:

- Unpacking & Sorting the contents of the container
- Distributing mail and gifts from sponsors
- Registering new children onto the sponsorship program
- Distributing food to the families
- Recycling old donated desks
- Helping in the kids clubs
- Visiting the Schools and interacting with the kids

A great time was had by all and every team member came back with a different perspective on life. We want to say a special thanks to each member of the team: Jack, Barbara, Noel, Jackie, Sarah, Deirdre, Roy, Julia, Alannah and Lizzy. We would love to have you join another team in the future.

"I had the privilege of being part of the Work & Witness team in August 2015. Our team of 10 took on various tasks during our time in Tanzania. We brought craft and games for the children, we made lots and lots and lots of loom bands, and we shared with them the story of the Wordless Book. We visited homes and delivered food, clothes and sweets (which were also gratefully received). The team also undertook to reconfigure, file, saw, sand and wash 100 desks which went to 2 different schools and will make a real difference to school life for so many children. My favourite part of the entire trip was visiting the school at Hombolo and meeting the special children in the blind class. The realisation that I was making a difference in people's lives is the memory I will keep with me along with the smiles and voices and waving of the families I met"

Julia,
 2015 Carrickfergus

Be with all who share the ministry of kids4school across Northern Ireland. Be with them as they travel and give them the words to speak.

Let your work continue throughout the beautiful land of Tanzania. Smooth the way for upcoming plans and visions and guide all who make decisions regarding the future of the kids4school ministry so that in all things, your name will be glorified.

Be with all who are involved in our Vocational Training program. Take these children who have been unable to continue in studies and give them the tools that they need to make a better life for themselves and their families.

Bless all who are sick, tired and weary. Be unto them a beacon in these hard times. Touch them, draw along side them and encourage them to hold fast to the knowledge that you are Lord.

We thank you for each and every member of the team that you have placed within the ministry. We thank you for their commitment, their ability and their desire to help others who are less fortunate. We Pray that your love will be shown in every thing that they do.

Amen

FOCUS ON PRAYER

“Prayer is the key of the morning and the bolt of the evening” Mahatma Gandhi

How I Became Involved

How did kids4school start is a question we are often asked. Well it all started when Tom came to talk to the caravanners, which is the uniformed organisation of the Church of the Nazarene, about his work in Tanzania with the children. He told us how the children couldn't go to school unless they had a pair of shoes, which most of the children didn't. I think some of our children thought this was great and wished it applied to them, but out of Tom's talk came the idea that we could have a smartie appeal where the children took home a tube of smarties, ate the sweets and then brought back the tube filled with money. The idea that by buying shoes our children could help others go to school caught the imagination of the caravanners and they raised about £250. Tom accepted the money at a special handover and so the shoes were bought and children were able to go to school to receive an education and so improve the possibility later in life of getting a job and help support their families. Out of this came the idea for kids4school and today we support approx 1000 children through school, providing them with uniforms, books and other equipment that they need plus we are able to give them a daily meal.

Barbara Bell

kids4school TRUSTEES

The voluntary role of a trustee is to be responsible for making sure the charity is doing what it was set up to do. Trustees use their skills and experience to support the charity, helping them achieve their aims. Trustees also often learn new skills during their time on the board. We are thankful for each of our trustees and for the role that they play within the ministry of kids4school.

CHARITY SHOP

VOLUNTEERS NEEDED:

Do you have any spare time in the week? Would you like to get out of the house and help those less fortunate? Why not call in to the shop and enquire about volunteering. Even if it is just an hour, you will be most welcome and a great help to the charity.

STOCK REQUEST:

As you can imagine, stock needs replenished in the shop on a daily basis. We accept donations of:

- Quality clothing / Shoes / Belts
- Children's toys & Games (in good condition)
- Household goods
- Furniture
- Bedding
- Ornaments / Bric-a-Brac
- Electrical goods
- Books

Michelle Nixon - Shop Manager

We can also take clothes / textiles that are not fit for re-selling. Just send them on in to the shop, even if you think they are only suitable for the dump and we can earn a little extra money through recycling.

YORK ROAD, BELFAST BT15 3HE

Opening Hours: Mon - Fri 10am - 4pm

Contact Number: 07402 211282

A GOOD HEART

We had the privilege of becoming acquainted with a young man with a great desire to help those less fortunate than ourselves.

With already having a full schedule with being a teacher, he found the time to give extra tuition lessons when needed. Nothing strange about that?? Yes there is. This gentleman donated all of his wages for extra tuition to the work of kids4-school. Not only has he contributed financially, he has also been a great benefit to the Mission by promoting the work of kids4school across the UK and farther a field.

During his Easter holidays, he visited the head office and felt that it was equally important to keep the office staff inspired everyday. His idea was that by seeing the faces of the children and work that we do, our motivation would remain at a high level.

Therefore he asked for a number of pictures of our work and financed the transfer of pictures to canvas for us to display in the office.

We would like to publicly thank him for all of his kindness without embarrassing him so we say a very big Asante Sana Mr B.

THE YEAR SO FAR

446 children registered onto the program so far this year ...

What a joy it has been to have so many children join the sponsorship program this year. We have been able to bring another 446 children onboard taking our totals to around 1070 children. This is fantastic and we praise God for his provision.

This year alone we have been able to register more children, provide equipment, do construction work and employ another teaching assistant. **WOW**

ARE YOU AN INTERNET SHOPPER?

This scheme is designed to let you shop as usual, but raise funds for your chosen charity while doing so – At no extra cost...

7 easy steps:

- Go to easyfundraising.co.uk
- Click into 'Support a good cause'
- Enter 'kids4school' and hit GO
- Go to 'Support this cause'
- Create an account (Follow the instructions online)
- Go into 'Search for retailer'
- Find your appropriate store and shop as usual.

Since registering with Easy Fundraising in February, we have raised **£185.70**. This extra income benefits the children in Tanzania and it doesn't cost us a penny extra when purchasing our goodies...

"easyfundraising is so easy to use. I have the app on my phone and tablet. With most major retailers allowing customers to shop through easyfundraising it means when I feel like treating myself to a little something I can raise funds for kids4school at the same time - its win, win!!"
(Sarah, Ballyclare)

ALTERNATIVE GIFTS

- Can't think of what to buy?
- Fed up buying the same gift every year?
- Want to give a gift that benefits those less fortunate?

Why not choose one of our alternative gifts. By doing this you are not only purchasing a gift, but you are supporting families from one of the poorest countries in the world.

SHOEBOX APPEAL

We are undergoing a shoebox appeal this year for our children in Tanzania. If you would like to participate in this, please contact the office on 028 2827 2998 for more details.

PRICE OF UGALI

The rains have once again failed in Tanzania, leaving many families with fields of dead crops and the price of purchasing Ugali higher than previous years. In 2014, a food parcel for the family cost £12, but due to the shortage of crops this year, that price has risen to £14.

Other Donation			
TOTAL:			

kids4school will provide a gift certificate for each gift that you purchase. If you are eligible for gift-aid, please sign as we can collect money from the HMRC on your gift at no extra cost to you.

Signature: _____

If you are a UK tax payer we can reclaim tax on your donations – at least 25p extra for every £1 at no extra cost to you. Gift aid allows us to reclaim the tax you have paid on all donations to kids4school. You must pay an amount of tax equal to the tax kids4school will reclaim on your donation during each tax year.

Kids4school will purchase on your behalf your chosen gift item. However, we reserve the right to provide alternative items according to specific needs at time of purchase.

Last date for pre-Christmas orders to be received at kids4school office is Friday 18th December 2015.
